

This is where your training really comes to life. The practical Work Integrated Learning module is where SACAP gives you the opportunity to gain invaluable experience in the field.

It is your chance to make a positive difference in people's lives while simultaneously sharpening your psychosocial support worker skills - before you even graduate.

WHAT IS WORK INTEGRATED LEARNING?

This module offers you a comprehensive practical placement within an organisational setting that is related to a specific area, e.g. working with adolescents, addiction, trauma, and more. Work Integrated Learning is the perfect opportunity for you to apply the knowledge you've learned in class to your chosen field of interest, building your confidence and honing your skillset for the work-place.
