

BACHELOR OF SOCIAL SCIENCE HONOURS IN BUSINESS MANAGEMENT

- Study Business Management through a psychology lens.
- Gain leadership skills aligned with values and ethical principles.
- Understand interpersonal dynamics between individuals, groups and organisations.

This honours programme differs from a more “traditional” business management qualification by emphasising the importance of effectively leading individuals and teams with integrity. Not only will you master business fundamentals you will also gain a robust understanding of values and ethical accountability aligned with best-practice corporate citizenship. After all, while the economy, technology and business landscape are always in flux – an insight into human behaviour is enduring.

Bachelor of Social Science Honours in Business Management opens up employment opportunities in a management role within an organisation, as an entrepreneur or admission into another bachelor’s or honours degree in the same or a cognate discipline.
