

BACHELOR OF SOCIAL SCIENCE HONOURS IN HUMAN RESOURCE MANAGEMENT

- Build on your undergraduate degree.
- Gain the tools you need to become a leading human resource manager.
- Benefit from a blend of academic integrity and impactful application.

SACAP designed this progressive degree with our unique focus on academic and practical skills in human resource management competencies, ethical practice, research rigour, critical and analytical insight for impactful application in workplace contexts.

The qualification brings 'humanness' back to human resource management, where you learn about people development while simultaneously developing into a holistic and dynamic human resource practitioner.

This Bachelor of Social Science Honours in Human Resource Management opens up avenues of potential employment in an extensive range of public and private sector enterprises in various HR Business Partner and HRM roles such as HR Manager, HR Assistant, HR Advisor and HR Consultant.
