

A photograph of a man and a woman in a professional setting. The man, on the left, is seen in profile, wearing glasses and a brown shirt. The woman, on the right, is smiling and looking towards him; she has long dark hair and is wearing a colorful, patterned top. They are seated at a wooden table with a laptop and a white mug. The background shows a window with grey curtains and a green wall.

BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND HUMAN RESOURCE MANAGEMENT)

- Specialise in psychology & human resource management.
- Learn how to balance an individual worker's needs within a team environment.
- Gain essential practical human resource management skills.

This comprehensive qualification, with dual majors in Psychology and Human Resource Management, will build critical thinking skills and a depth of understanding of the individual within a social and organisational context. You will also learn how to apply this knowledge to the workplace to increase employer and employee productivity and work satisfaction.
