

A photograph of a man and a woman in a professional setting. The man, on the left, is wearing glasses and a brown shirt, looking towards the woman. The woman, on the right, has long dark hair and is wearing a colorful, patterned top. She is smiling and looking at the man. They are sitting at a table with a laptop and a white cup. The background is a blurred office environment with large windows.

# BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND HUMAN RESOURCE MANAGEMENT)

- Specialise in psychology & human resource management.
- Learn how to balance an individual worker's needs within a team environment.
- Gain essential practical human resource management skills.

This comprehensive qualification, with dual majors in Psychology and Human Resource Management, will build critical thinking skills and a depth of understanding of the individual within a social and organisational context. You will also learn how to apply this knowledge to the workplace to increase employer and employee productivity and work satisfaction.
