

# BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND HUMAN RESOURCE MANAGEMENT)

- Specialise in psychology & human resource management.
- Learn how to balance an individual worker's needs within a team environment.
- Gain essential practical human resource management skills.

This comprehensive qualification, with dual majors in Psychology and Human Resource Management, will build critical thinking skills and a depth of understanding of the individual within a social and organisational context. You will also learn how to apply this knowledge to the workplace to increase employer and employee productivity and work satisfaction.

An undergraduate degree that gives you the option to specialise in human resource management within an applied social science framework

## BENEFITS AT A GLANCE

This Bachelor of Applied Social Science degree is a good choice if:

- Are interested in psychology and people, specifically in an organisational context.
- Have a desire to understand people and positively affect them in the workplace.
- Want a qualification that will give you comprehensive theoretical and methodological understandings in both psychology and human resource management.
- Want to underpin your studies in human resource management with a second major in psychology.
- Want to gain practical Work Integrated Learning experience to boost your expertise and confidence in human resource management.
- Want an accredited qualification that is nationally benchmarked and internationally comparable.
- Want a qualification that will provide multiple academic pathways for an honours degree or postgraduate studies in psychology, the social sciences, human resources or related fields.
- Want a qualification that will position you well for employment in human resources within an organisation.
