

POSTGRADUATE CERTIFICATE IN EDUCATION IN SENIOR AND FURTHER EDUCATION AND TRAINING TEACHING

- Enhance your graduate academic qualification with specialised vocational skills.
- Contribute towards positively impacting SA's educational landscape.
- Become eligible for registration with the South African Council for Educators.

SACAP's Postgraduate Certificate In Education is a vocational programme designed to provide focused training that builds teaching skills into the core subject specialisation area of Life Orientation. It is ideal for graduates who want to apply their knowledge in the rewarding world of education and provide much-needed learning support, psycho-education and transformative counselling to learners in South African schools.

Throughout the course, you will acquire the competencies to effectively mediate and facilitate teaching and learning practices. You will also learn how to interpret and deliver curriculums that emphasise the aims and principles of Life Orientation and the National Curriculum Statement – encouraging inclusivity plus active and critical learning approaches.

The PGCE provides a theoretical depth and specialisation of knowledge together with practical skills and workplace experience to enable graduates to apply their competencies as teachers/beginner teachers.

Course Details

 STUDY OPTIONS:
On campus (Cape Town & Johannesburg)

 DURATION:
12 months, full-time only

 MODULES:
9 modules

 SAQA REGISTRATION:
SAQA ID 117031, NQF 7

 FACULTY:
Applied Psychology

Admission Requirements:

- A minimum of a Bachelor's Degree with a psychology major at NQF Level 7.
- Applicants must have achieved a grade point average (GPA) of 60% and/or above in all psychology subjects undertaken in the final year (exit level) of study.

As a successful graduate, you will be eligible for registration with the South African Council for Educators (SACE) and for potential employment as a sought-after Life Orientation teacher with specialisation in guidance, counselling and specialised learner support in a range of public and private schools as well as technical, vocational and educational training colleges nationally.

BENEFITS AT A GLANCE

This postgraduate programme is a good choice if you:

- Want to enhance your academic qualification with a distinct vocational programme.
- Want to become a teacher and help address the severe shortage of psychosocial support in South African schools.
- Develop guidance, counselling and specialised learner support skills that equip you to provide learning support, psycho-education and transformative counselling to learners.
- Want to gain essential experience through frequent Work Integrated Learning, applying theory to professional practice in varying school contexts.
