

## 2023 Fee Structure

Please note: The 2023 fee schedule is applicable to new students registering for the first time in 2023, and reflects the fees to be expected in each year of study based on standard academic progress and current pricing. Existing students should please refer to the financial policies outlined in the student handbook, as well as to fees communicated during SACAP's termly re-enrollment and annual re-registration processes.

### Notes to schedules:

1. Fees are subject to annual increases and exclude the cost of textbooks.
2. Registration Fees are payable by all students upon registration for each academic year of study in which modules are enrolled for, and are **due two weeks prior** to the start of term in each new academic year. If the Advanced Coaching Practitioner Programme is completed directly following on from the Coach Practitioner Programme (ie not at a later date) then a second registration fee for the year is waived.
3. Tuition Fees under Option 1 (Annual Upfront) are **due two weeks prior** to the start of term in each new academic year. The fees reflected already include a 5% early settlement discount. The Coach Practitioner Programme and Advanced Coach Practitioner Programme do not qualify for a 5% discount because these are not full academic year programmes.
4. Tuition Fees under Option 2 (Termly Upfront) are **due two weeks prior** to the start of each term.
5. Under Option 3 (Monthly Debit Order), signed Debit Order Forms are **due two weeks prior** to the start of term. Payments shall commence within the first term in each academic year, and shall continue until all modules charged to the student account for the academic year have been recovered. The Payment Amount on the form is variable and shall be adjusted in each subsequent academic year.
6. Students requesting credit for a module based on Recognition of Prior Learning (RPL) will need to pay an RPL admin fee of R400 and an RPL module fee of R3,000 per RPL module granted. RPL is not recognised for Coaching programmes.
7. Students requesting credit for a module based on Credit Transfer from a recognised institution will need to pay an admin fee of R400 and a credit transfer fee of R150 per module for which credit is granted.
8. Fees for the Coach Practitioner Programme are for five months of study and include 2 Observed Coaching Sessions and 10 hours of Mentor Coaching with ICF credentialed coaches.
9. Fees for the Advanced Coach Practitioner Programme are for six months of study and include 4 Observed Coaching Sessions and a Performance Exam.
10. Fees for the Postgraduate Diploma in Coaching include 6 Observed Coaching Sessions, 10 Mentor Coaching hours with ICF credentialed coaches, 4 sessions of Research Supervision, a supervised Client Coaching Internship and a Performance exam.
11. The tuition fees for the Bachelor of Social Work Programme are reflected after the allocation of a 25% subsidy that has been received for this programme specifically and covering all four years of study. The tuition fees that would ordinarily have applied before allocation of the 25% subsidy are as follows: Year 1: R79,036 / Year 2: R76,868 / Year 3: R87,543 / Year 4: R70,060
