

BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND BUSINESS MANAGEMENT)

- Specialise in psychology and business management.
- Gain a powerful blend of key business and people management skills.
- Develop critical thinking, innovation and an entrepreneurial spirit.

This comprehensive qualification, with dual majors in psychology and business management, will equip you to understand the interrelation between the external business landscape and the psychosocial factors within organisations. This is particularly important given that building sustainable business expertise is complemented by sound insight into how to manage people responsibly at an individual, team and systemic level.
