

BACHELOR OF APPLIED SOCIAL SCIENCE (MAJORING IN PSYCHOLOGY AND HUMAN RESOURCE MANAGEMENT)

- Specialise in psychology and human resource management.
- Learn how to balance an individual worker's needs within a team environment.
- Gain essential practical human resource management skills.

This comprehensive qualification, with dual majors in psychology and human resource management, will build critical thinking skills and a depth of understanding of the individual within a social and organisational context. You will also learn how to apply this knowledge to the workplace to increase employer and employee productivity and work satisfaction. An undergraduate degree that gives you the option to specialise in human resource management within an applied social science framework.
