

# WORK INTEGRATED LEARNING (HANDS-ON EXPERIENCE WHILE YOU STUDY)

This is where your training really comes to life. The practical Work Integrated Learning module is where SACAP gives you the opportunity to gain invaluable experience in the field. It is your chance to make a positive difference in people's lives while simultaneously sharpening your applied skills – before you even graduate.

## WHAT IS WORK INTEGRATED LEARNING?

This module offers you a comprehensive practical placement in a variety of psychosocial organisations working in the counselling, community, education, and health and welfare services that is related to various work areas, such as working with adolescents, addiction, trauma, and more. The Work Integrated Learning module is the perfect opportunity for you to apply the knowledge you've learned in class, allowing you to build your confidence and hone your skillset for the workplace.

Work Integrated Learning (WIL) is the perfect opportunity to apply the knowledge you have learned in class within a real-world placement site.

SACAP has a nationwide network of placement sites that cover a diverse range of environments.

#### Highlights:

- Gain valuable practical experience.
- Network with industry professionals.
- Enjoy support and guidance from an expert supervisor.
- Graduate with practical industry-related skills.

#### Why is Work Integrated Learning so important?

This practical fieldwork component is an essential element of your training and development. The experience you gain helps you become a skilled, knowledgeable, ethical and confident psychosocial support worker.

#### Work Integrated Learning gives you:

- Gives you valuable and practical experience before you graduate.
- Gives you the opportunity to make a positive impact on people's lives.
- Enhances your graduate academic qualification with specialised industry-related skills.
- Contributes to positively impacting South Africa's educational landscape.

## WHICH QUALIFICATIONS INCLUDE THE WORK INTEGRATED LEARNING MODULE?
