

2027 FEE STRUCTURE

SANDTON CAMPUS JOHANNESBURG

SANDTON
CAMPUS
JOHANNESBURG

The 2027 fee schedule applies to new students registering with SACAP for the first time in 2027. It also provides an indication of the fees for each subsequent year of study, based on standard academic progression and current pricing. Fees for future academic years are subject to change.

Existing students should refer to the financial policies outlined in the Student Handbook, as well as the fees communicated during SACAP's termly re-enrolment and annual re-registration processes.

ANNUAL INCREASES:

Fees listed in this schedule apply to the 2027 academic year and are subject to annual increases. Fees exclude the cost of textbooks and personal IT requirements.

REGISTRATION PER ACADEMIC YEAR:

Students are required to register for each academic year. Fees are quoted on an annual basis and do not cover the full qualification.

REGISTRATION FEES:

Registration fees are payable by all students upon registration for each academic year of study and for the modules in which they are enrolled. Fees are due two weeks before the start of the term in each new academic year.

Note: Graduates of the Coach Practitioner Programme who progress directly to the Advanced Coach Practitioner Programme will have the second registration fee for that academic year waived. This applies where the student progresses in the next available intake following the standard academic break between programmes. The waiver does not apply if the student chooses to defer or delay their studies beyond this period.

TUITION FEES AND PAYMENT PLAN OPTIONS:

Option 1: Annual Upfront Payments are due two weeks before the start of term for each new academic year.

Option 2: Termly Upfront Payments are due two weeks before the start of each term.

Option 3: Monthly Debit Order Payments require a signed Debit Order Form, which is due two weeks before the start of term. Payments begin in the first term and continue until all module fees for the qualification are paid. The monthly payment amount may be adjusted for each academic year.

Option 4: Extender Tuition-Fee Payments allow eligible applicants to spread tuition-fee repayments over a longer period, reducing their monthly costs. This facility is subject to approval, interest and applicable fees.

It is available to South African citizens aged 18 and older with a regular income, or through an eligible applicant who applies on the student's behalf.

Learn more about Extender [here](#).

Refer to the Student Handbook for the withdrawal policy.

EARLY SETTLEMENT DISCOUNT:

The fees reflected below already include a 5% early settlement discount.

Note: The Coach Practitioner Programme and Advanced Coach Practitioner Programme do not qualify for a 5% discount as this is not a full academic year programme.

CREDIT TRANSFERS:

Students requesting credit for a module based on Recognition of Prior Learning (RPL) will need to pay an RPL admin fee of R400 and an RPL module fee of R3,000 per RPL module granted.

Students requesting credit for a module based on Credit Transfer from a recognised institution will need to pay an admin fee of R400 and a credit transfer fee of R150 per module for which credit is granted.

Note: Recognition of Prior Learning (RPL) is not applicable to Coaching programmes.

Read more about credit transfers [here](#).
